

Jonathan Tishbi Special Reserve

TISHBI

White Wine

Chardonnay

Dry white wine

Vineyard: Judean Hills

Variety: 100% Chardonnay

Wine Notes: A rich, full-bodied wine expressing concentrated fruit aromas of melon and peach. Possessing a buttery texture with a bouquet of vanilla, caramel and honey derived from its aging in oak barrels. This elegant wine, complex and abundant in taste, also provides a long-lasting finish. Serve this wine as an excellent accompaniment to a roasted leg of lamb or with grilled, filleted fish. Recommended serving temperature: 8-10°C (46-50°F).

Winemaking: A dry white wine produced from the highest quality vines grown in the Gush Etzion region. This wine was slowly fermented at a low temperature in stainless steel before undergoing partial aging in new American oak barrels for a three month period. This procedure imparts on the wine its exceptionally full body, fruitiness and deep golden color.

Alcohol by Volume: 13%
