

Cabernet Sauvignon

Dry red wine

Vineyards: Zichron Ya'akov

Varietal: Cabernet Sauvignon

Wine Notes: A young wine produced from 100% Cabernet Sauvignon grapes, harvested at their peak of ripeness. Combining both nuances of fresh forest berries with a hint of fresh herbs, this rich, soft and delicate wine is ready for immediate drinking.

We suggest serving this wine with either red meat or seasoned spring chicken.

Recommended serving temperature: 18°C (64°F).

Winemaking: This wine was produced totally in stainless steel vats. During the three month production process, the wine was alcoholically fermented for ten days at a temperature of 22-28°C (72-82°F) prior to a malolactic fermentation at 15-22°C (59-72°F).

Alcohol by Volume: 13%
