

Sauvignon Blanc

Dry white wine

Vineyards: Zichron Ya'akov

Varietal: Sauvignon Blanc

Wine Notes: The wonderful aromas of the Sauvignon Blanc grapes are thanks to the fertile slopes of Zichron Ya'akov. When tasting this wine, one is surrounded with a rich, delicate sensation, herbaceous fragrances and fruity flavors. We suggest grilled fish and Mediterranean dishes as an excellent accompaniment to this wine. Recommended serving temperature: 8-10°C (46-50°F).
